REMARKS

The Applicant respectfully requests entry of the above amendment(s) to clarify the disclosure of this application. The amendments to claim 39 clarify that the input drive shaft (AN) is connectable either with a sun gear (SO1), via a second shifting element (B), or with a spider (ST1), via a fifth shifting element (E) and clarifies that the sun gear (SO1) is affixable, via a third shifting element (C), to the transmission housing (GG) and the spider (ST1) is affixable to the transmission housing via a fourth shifting element (D). The amendments to claim 78 clarify that the sun gear (SO1) is either connectable with the input drive shaft (AN), via a second shifting element (B), or connectable with the transmission housing (GG), via a third shifting element (C), and clarifies that a spider (ST1) is connectable with either the input shaft (AN), via a fifth shifting element (E), or the transmission housing (GG), via a fourth shifting element (D).

It is respectfully solicited by the Applicant that the Primary Examiner recommend entry and the Commissioner approve the same without withdrawing this case from issue. As this Amendment After Allowance is being filed prior to payment of the issue fee, no petition or official fee is believed necessary.

If any further amendment to this application is believed necessary, the Examiner is courteously solicited to contact the undersigned representative of the Applicant to discuss the same. If necessary, this case will be withdrawn from issue in order to enter the necessary amendment(s).

In the event that there are any fee deficiencies or additional fees are payable, please charge the same or credit any overpayment to our Deposit Account (Account No. 04-0213).

Respectfully submitted,
